THE ART OF PRESENTATION

Style-forward, wireless lamps

Elevate the ambience of any dining room with Lampa. These commercial-grade, wireless lamps are available in two styles, Octa and Pirlo, and offer a hybrid solution for operators to carry the same tasteful presentation from indoor to outdoor dining tables. A convenient, yet exclusive charging base and designated charging station provide a deterrent from theft, and multi-unit charging solutions create a convenient option for larger venues. Thoughtfully purposed for hospitality, these dimmable LED lamps are designed to operate 9+ hours on a single charge and set the tone for an unforgettable dining experience.
