THE ART OF PRESENTATION

THE ART OF PRESENTATION

You're not just setting a table. You're creating an experience, telling a story, sharing a culture - and food is at the heart of it. Food brings people together and connects them to tradition and inspiration.

At Steelite, we believe that tableware should do more than serve your food - it should serve your vision. We design, craft and curate the very best in tableware for chefs and concepts across the globe.

Partnering to create an unmatched range of inspired tabletop experiences where shape, colour, texture, light and weight combine to feed the senses. Helping our customers set the stage for their menus and their brands. Elevating presentation to an art. Steelite. The Art of Presentation.

Who we are

Steelite International is a world leading manufacturer and supplier of award winning tabletop, buffet and lighting solutions for the hospitality industry. Listening to our customers has allowed us to offer innovative solutions in china, metal, glass, wood and melamine. We are committed to offering the best in technology and design while minimising our effect on the environment. Our stability and reputation in the industry has provided us with both a diverse client list and a comprehensive channel of operations. Customer satisfaction is our top priority, which requires dedication, commitment, and a passion for achieving a level of excellence far exceeding expectations.

Floral aesthetic appeal

The Steelite Performance Impressions collection is a captivating full-face decoration featuring a delicate floral pattern. Available in four complementary colours; Blue, Pink, Brown, and Aqua - this range is the perfect refresh solution for any table setting. Each piece is meticulously crafted to combine aesthetic appeal with the durability and quality that Steelite is renowned for.

Bold, blue, Mediterranean

Evident from its namesake, a port in Sicily, Messina provides a bright, bold, and energetic surface perfect for outdoor dining or bringing the Mediterranean feel to the table. All pieces are freezer, dishwasher and microwave proof, making a practical yet stunning collection.

Pure, modern, inspirational

Rene Ozorio Signature is a collection of Fine Bone China, featuring luminous translucent colour in functional, yet luxurious design. With emphasis on bowls, plates, and complimentary accessories, this line is nothing short of pure pleasure for creative chefs.

Authentic, on-trend stoneware

Inspired by the iconic shopping & food scene of Carnaby Street in London's Soho, Carnaby by Maham Studio is a collection of authentic, one-of-a-kind stoneware pieces that are vitrified to meet the needs of commercial food service. Featuring a stackable, flared coupe shape, each piece is unique, showcasing variations in colour intensity and texture that add a distinctive touch to any table. Carnaby Dove emulates a Japanese brush technique called Hakeme, where an artisan applies a white glaze with tiny brown flecks to create a multi-dimensional, unfinished rustic look. While Carnaby Teal is a blend of blue and green hues that complement a wide range of Steelite products. Elevate any dining experience with the charm and versatility of Carnaby.

Due to the unique hand decorated design of this range each item will be slightly different in colour and texture.

A premium rechargeable table lamp with a magnetic charging base. This cordless table lamp provides direct downward and glare-free light. With more than 9 hours of battery life, IP65 protection (dust and water tight), it's ideal for indoor and outdoor use. The head, rod and base are made of corrosion resistant UV protected commercial grade aluminium alloy. Octa is also made with protection polyester powder coating and has no visible screws.

A premium rechargeable table lamp with a magnetic contact charging system. Designed with simple, intuitive controls, easily switch on and off, adjust colour, temperature and brightness. Housed in a simple, elegant, and beautiful aluminium casting. Pirlo comes with an optical design diffuser that combines numerous light reflections and refraction, producing light that is even and comfortable. Specifically designed for a commercial dinner table, it has more than 9 hours of battery life.
